

BOOST YOUR BUSINESS/

We are a **full-service advertising agency** and we will prepare a complex corporate identity, work out a suitable **communication strategy** for you and **provide any production you need.** Not only our vivid ideas set us apart from our competition – we have also the statute of **sheltered workshop with 100% substitute performance.**

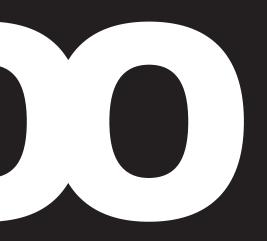

We know that **creative solutions** are able to change how people think and behave. We **create strong and innovative stories** of brands which build their positive image and sell their products at the same time. As we live with the brand from the beginning on, we understand its nature, culture and environment it operates in. We are able to boost it. Every job is **a challenge for us**, and we are always pleased if it can be solved efficiently and add to the success of the brand.

Communication Strategy

We prepare optimal **communication strategy** and media planning, tailor-made to the needs of your brand. Furthermore, we provide offline and online communication and complex solutions based on your specific needs.

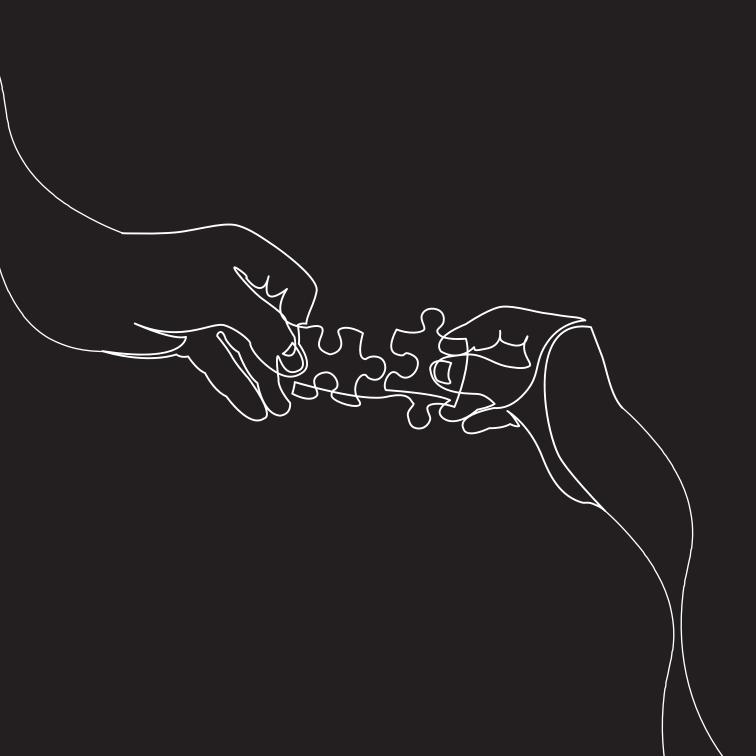

We prepared a complex communication strategy for Exisport, **the biggest sports store chain in Slovakia.** Based on it, we communicate a different product of their vast portfolio each month. In addition to preparing visuals using photographs we took with our team according to the concept, we produced a sponsorship message for TV and special creative online competitions, too.

BB, CL, POSTERS, SPOT, PHOTOSHOOTING

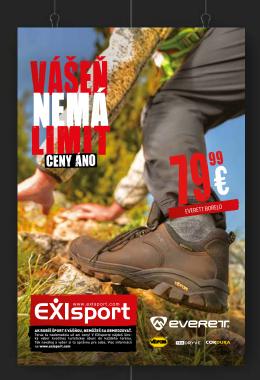

For the **transport company of NAD – RESS, a.s.,** we prepared the basic communication strategy which aimed to build the positive image of the company. This helped the company to become the leader on the market. Apart from preparing the campaign, positioning set up, processing and producing of the media placement, we also delivered several creative solutions for internal events, the Open Truck Day or a driver hiring campaign. Next to ATL, BTL and online communication, we covered the production, advertising objects and creation, placement and communication of the NAD – RESS, a.s. gas station in Senica. We have been cooperating since 2015.

BB, CL, POSTERS, ONLINE, WEB, FACEBOOK, SPOT, RADIO, PHOTOSHOOTING, ADVERTISING OBJECTS, PRODUCTION

We have prepared all the communication for the **construction company** of LEIER – from the communication strategy design, through creative solutions and their processing to media placement.

Leier Rik

With Leier Baustoffe and TV RIK, we cooperated at establishing the non-profit projectof Blue Kindergarten to support revitalization and repairs of kindergartens all over Slovakia. The aim was to help pre-school facilities having trouble acquiring state funds or being unable to repair the buildings with their own money.

We have been cooperating with the Donovalský pivovar brewery since its very beginnings. Next to preparing their corporate identity, we covered their creative ideas and interior design, including special installations in the brewery. We design and produce their special beer bottles with attractive image and screen printing. Each type of beer has its own logo type with a unique story. We have been cooperating since 2015.

Production

High quality, timing and price – those are our three main pillars. Over the last 10 years on the market, we have been dealing successfully with tasks in marketing communication, sales support and PR. Besides our own production, other advantages are close relationships with the suppliers and international producers allowing us to optimize the processes and ensure the requested quality and in-time delivery for our clients.
